

Dear Member,

Once again, we invite you to enjoy the many benefits of being a member of the Barton Area Chamber of Commerce. We continue to offer many great benefits such as discounts on health insurance and long-term care, representation at regional and state organizations, advertising and promotional opportunities, and most importantly help and support to your business. In addition, we volunteer many hours each month planning and sponsoring area promotional events and ideas to help increase tourism to our area. With the help and cooperation of our membership, we feel these efforts have been very successful.

As you know, we have structured our membership rates so that all business members will be included on our web site listings and also have their own web page at no extra charge. We feel it is vital for all area businesses to be listed because any person interested in our area that visits our web site needs to be aware of all that we have to offer. We include where to stay, eat, recreate, and shop. In addition, your business or service is advertised in our chamber brochure, which is utilized by many near and far.

A new benefit of membership is the member exchange. Each member is given an annual official certificate and card. Please post the certificate for public viewing at your business. The membership card entitles you to discounts and specials from other members. Each member can volunteer an exchange, but it is not mandatory. The exchanges will be posted on the website.

All of these great benefits are included in one flat membership fee of \$130 for businesses. Non-profits can join at no cost. We hope you will continue to be a part of our dynamic team. Please take a moment to fill out the information below and drop it in the mail along with your membership fee.
